RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

In response to the Notice to File Corrected Application Papers (copy attached), enclosed herewith is an abstract on a separate sheet.

It is believed that this abstract was included with the application as filed. A return receipt postcard enclosed with the filed application noted that there were 23 pages of specification enclosed. The abstract for the application was page 23 of that specification. The return receipt postcard was processed by the USPTO, and returned

to the undersigned, without any indication that any of the pages of the specification were missing.

In the event that an extension of time is necessary, this should be considered a petition for such an extension. No fee is believed due with the filing of this paper. In the event any fees are due in connection with the filing of this paper, the Commissioner is authorized to charge those fees to our Deposit Account No. 18-0988 (Charge No. ERICP343US).

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
